

exit polls

exit polls are surveys of a small percentage of voters taken after they leave their voting place. pollsters use this data to project how all voters or segments of voters side on a particular race or ballot measure.

Notes

- All times ET.
- Not all candidates are listed.
- Some states have multiple poll closing times.
- CNN will broadcast a projected winner only after an extensive review of data from a number of sources.
- "Party change" denotes a race where the 2016 projected winner is from a different party than the previous winner or incumbent.
- Maine and Nebraska allow electoral votes to be split. In Maine, two of four electoral votes go to the statewide winner and one electoral vote goes to the winner in each of the two congressional districts. In Nebraska, two of five electoral votes go to the winner of the statewide vote. One electoral vote goes to the winner in each of the Nebraska's three congressional districts.
