LIVE **Exit Polls**

Exit polls are surveys of a random sample of voters taken as they leave their polling place on election day. Absentee and early voters are represented by either telephone polls or in-person exit polls at early voting locations. Pollsters use the results to assess the makeup and opinions of the electorate. Read how exit polls work during a pandemic.

Notes

- All times ET.
- Not all candidates are listed.
- CNN will broadcast a projected winner only after an extensive review of data from a number of sources.
- "Flipped seat" denotes a race where the 2020 projected winner is from a different party than the previous winner or incumbent.
- Both Maine and Nebraska allow electoral votes to be split. In Maine, two of four electoral votes go to the statewide winner and one electoral vote goes to the winner in each of the two congressional districts. In Nebraska, two of five electoral votes go to the winner of the statewide vote. One electoral vote goes to the winner in each of Nebraska's three congressional districts.
