Exit Polls

Exit polls are surveys of a random sample of voters taken as they leave their polling place on election day. Absentee and early voters are represented by either telephone polls or in-person exit polls at early voting locations. Pollsters use the results to assess the makeup and opinions of the electorate. <a href='https://www.cnn.com/2020/11/02/politics/exit-polls-2020-pandemic/index.html' title='Read how exit polls work during a pandemic'>Read how exit polls work during a pandemic</a>.
